Lottery money where it's needed most

DONNINGTON SMALL GRANTS

Grants for community groups in Donnington and Donnington Wood

Fair Share Trust Donnington is National Lottery funding put aside specifically for the Donnington and Donnington Wood area. This is money for projects that will have lasting impact on the development of the local community and local people. Grants of *up to* £2000 are available.

Over the last nine years some major projects have been funded in Donnington and Donnington Wood, including youth projects, the establishment of the allotments and installation of the skatepark on Donnington Rec, refurbishment of local community halls, development of the Community Café, family support, debt advice, health inclusion and employability schemes.

There are now just a few thousand pounds left and the Fair Share Trust panel want to make this available for local groups with a history of volunteering who need a small grant to develop their services for local people.

What kind of projects can you get funding for?

Your project should fulfil one of the 4 local priorities

- Community Safety, Housing & the Environment
- Children & Young People
- Widening Access
- Healthy Communities

and Involve local volunteers in some way.

If you have an idea for project or your group has a specific need, please get in touch.

To apply - please complete the Fair Share Trust Small Grants application form and return it to the Community Foundation by email or hard copy as soon as possible and **by 5pm on Thursday 15th November 2012 at the latest.**

Make sure that you have enclosed **all** the relevant supporting documents requested on the form. Please get in touch if you are unsure about what is being asked for.

If you are awarded a grant you will be required to tell us about your project and how you have used your grant. You must also keep a record of what you have spent, including invoices received and payments made.

Fair Share Trust funding is administered locally by The Community Foundation for Shropshire and Telford and all applications are assessed by a panel of local Donnington residents and workers.

More information on the Local Priorities:

Community Safety, Housing and the Environment

- Projects which make Donnington and Donnington Wood a better place to live, help local people feel safer and encourage them to use and care for the local environment and open spaces.

Children and Young People

- Projects which provide local young people (particularly the 11- 13 year age range) with activities and facilities to enable them to develop socially, physically and vocationally and increase their feeling of value in the community

Widening Access

- Projects which enable existing local facilities to be developed, upgraded and used for a wide range of activities for all sections of the community.

Healthy Communities

- Projects which enable local people to develop awareness, skills and access to healthy lifestyles.

Completed applications should be returned to:
